Re: Planning Applications ref 10/59093/OUTEIA & 10/59092/FULEIA

Dear Kurt,

I write with reference to the above planning applications submitted to you on the 9th July 2010 and note these are both in regards to the same development on the former Mitchell & Shackleton property off Green Lane Monton and wish to formally record my objection on **both** applications.

I would respectfully request that my objection is acknowledged again for both applications as I wish to avoid duplication with correspondence. I also trust you will be considering the applications as one and not on an individual basis.

Whilst I have a number of concerns with the applicants proposals I wish to initially note these as headings below as an interim as I would request the closing date of the submittal is deferred allowing a more timely manner to consider the proposal.

I therefore again trust that my objection is acknowledge by return and I`am kept informed in this matter.

Yours faithfully,
